

Dear Friend;

24

I enclose Mr Spooner's letter, to show you that I did not fall into any serious error about his vote to the Convention. Of course, no more need be said about it. Mr Spooner's letter to me is private. If you will please return it, when you have read it, you will oblige yours very affly. Joseph Barker.

I want the reports of the Discussion very bad.

March 9 - 1854.
